

Noted by DCB

5 December 1963

MEMORANDUM FOR THE DIRECTOR

1. As a result of the 2 December meeting with Bross in your office, I have looked into the question of why [redacted] is leaving the Agency. There is nothing devious about this. [redacted] and his wife have long looked forward to his retirement. Originally he was going to retire earlier this year but was persuaded by Cline and [redacted] to stay on until April 1964.

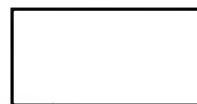

25X1

2. Some time ago the [redacted] purchased a retirement home in Vermont and they are very anxious to follow through on their retirement plans. [redacted] has a deep sense of loyalty to the Agency and is not dissatisfied in any way.

25X1

3. I have asked [redacted] to give me his personal advice as to who would make a good replacement for him.
